Edmund M. [Signature] State Engineer

State Engineer.

NOTE: Prior to the filing of this application, Lloyd V. Smith assigned on August 15, 1956, the SE $\frac{1}{4}$ SE $\frac{1}{4}$ Section 21, T. 29 N., R. 33 E., to Travis T. and Wilba D. Rogers his wife. Deed filed Nov. 13, 1956 in 15171.

NOTE: The SE $\frac{1}{4}$ SE $\frac{1}{4}$ is also covered by deed dated December 14, 1956 from Travis T. and Wilba D. Rogers his wife to William Cramer and Morry Sterling an undivided $\frac{1}{2}$ interest to each. Deed filed April 18, 1957 in 15171.

ASSIGNED: SE $\frac{1}{4}$ SE $\frac{1}{4}$ Section 21, T. 29 N., R. 33 E., December 14, 1956 by Travis T. and Wilba D. Rogers to Morry Sterling and William Cramer an undivided $\frac{1}{2}$ interest to each. Deed filed April 18, 1957 in 15171.

1. The first part of the document is a letter from the author to the reader, explaining the purpose of the study and the methods used. The letter is dated 1968 and is addressed to the reader.

2. The second part of the document is a list of references, which includes books, articles, and other sources used in the study. The references are listed in alphabetical order.

3. The third part of the document is the main body of the study, which is divided into several sections. The first section is an introduction, which provides a brief overview of the study. The second section is a literature review, which discusses the work of other researchers in the field. The third section is a description of the methods used in the study. The fourth section is a description of the results of the study. The fifth section is a discussion of the results, and the sixth section is a conclusion.

4. The fourth part of the document is a list of appendices, which includes additional information that is not included in the main body of the study. The appendices are listed in alphabetical order.

5. The fifth part of the document is a list of figures, which includes graphs, tables, and other visual aids used in the study. The figures are listed in alphabetical order.

6. The sixth part of the document is a list of tables, which includes tables of data and other information used in the study. The tables are listed in alphabetical order.

7. The seventh part of the document is a list of footnotes, which includes additional information that is not included in the main body of the study. The footnotes are listed in alphabetical order.

8. The eighth part of the document is a list of indexes, which includes a list of subjects and a list of names. The indexes are listed in alphabetical order.

9. The ninth part of the document is a list of errata, which includes corrections to errors in the document. The errata are listed in alphabetical order.

10. The tenth part of the document is a list of acknowledgments, which includes a list of people who have helped the author in the study. The acknowledgments are listed in alphabetical order.
